

Cycle Vita here for your patients, *for life*

Product support overview

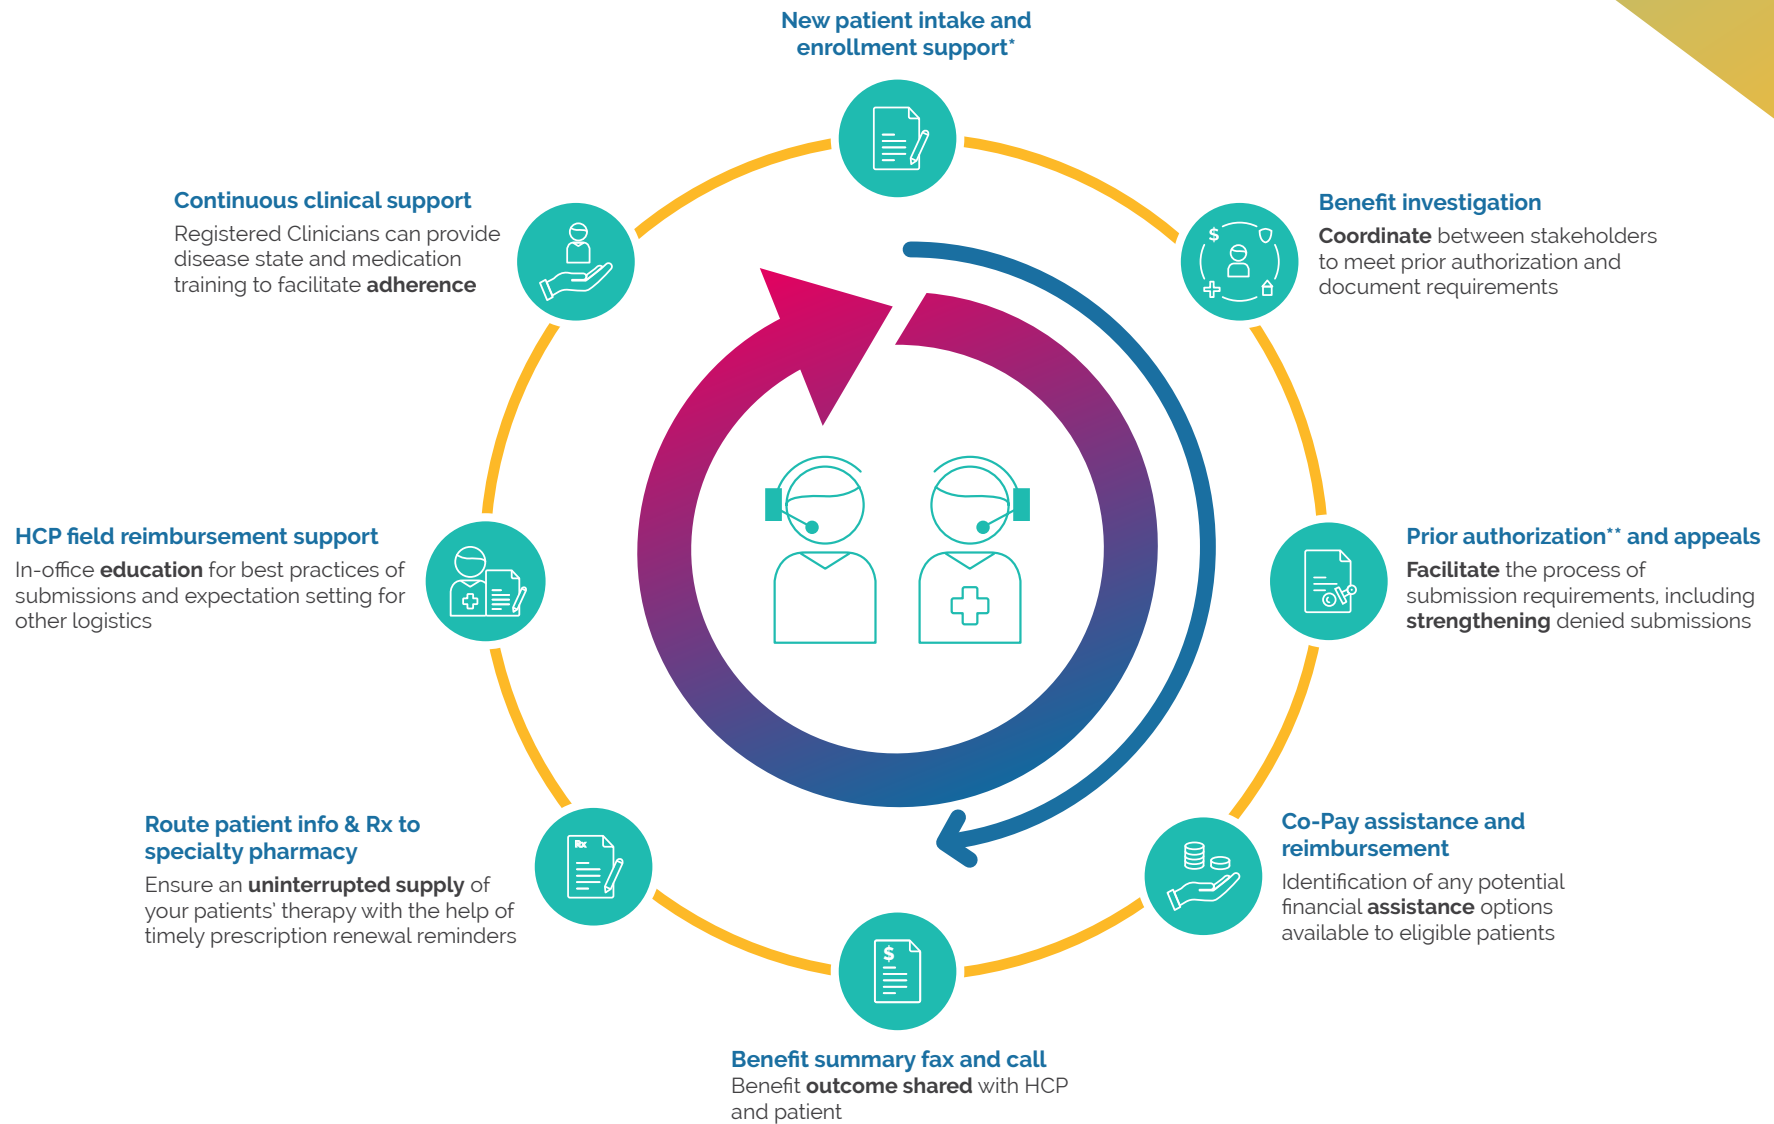

At Cycle Pharmaceuticals, we understand the impact a disease diagnosis has on the lives of your patients and their loved ones, and the challenges you face as a healthcare provider.

We know that life-changing treatments need life-improving product support to match. That's why we created Cycle Vita, delivering your patients individualized product support which is as unique as they are.

This guide aims to provide you with an overview of the product support Cycle Vita can offer your patients, *for life*.

To meet the unique and challenging needs of patients, Cycle Vita provides individualized product support at every step*

*Some areas of product support are treatment specific and may not be accessible to all patients. Eligibility criteria may apply to ensure compliance with all applicable federal and state requirements, and benefits may be limited to commercially insured patients only.

**Cycle Vita cannot complete preauthorization, medical language or submissions for HCP. Cycle Vita can be expected to monitor progress of PA between the HCP and the Payor including submission and follow up reminders with both parties.

Cycle Pharmaceuticals' commitment to patients extends beyond life-changing treatments

When you prescribe a Cycle treatment, as well as ensuring your patients receive best-in-class medicines, your patients will get a trusted partner to guide them at every step of their journey. To find out what product support is available to help your patients, contact the Cycle Vita team today.

A friendly, familiar team is waiting here at Cycle Vita, for your patients, *for life*.
